

## ICETCSIS 2025 Concludes Successfully with Over 200 Papers Presented Globally — Chief Guest Dr. Aariz Aftab, IAS, Graces the Inaugural Session

The **International Conference on Emerging Trends in Computer Science and Intelligent Systems (ICETCSIS 2025)**, organized by the **AMIEE Association** in collaboration with the **CMAOI Association** and the **RAHSS Association**, concluded successfully on **12th October 2025 at 6:30 PM**.

The two-day online conference was inaugurated by **Dr. Aariz Aftab, IAS**, noted for his tenure as **Chief Electoral Officer and Additional Chief Secretary, Government of West Bengal**, and witnessed enthusiastic global participation. In his address, Dr. Aftab emphasized the importance of integrating **artificial intelligence, data-driven systems, and digital governance** to foster transparency and efficiency in public services. More than **200 research papers** were presented across multiple parallel tracks by academicians, researchers, and professionals from diverse fields, making the event a significant milestone in international academic collaboration.

The event was convened by **Prof. (Dr.) Ipseeta Nanda**, Vice Chairperson and Director, Rourkela Institute of Technology, Odisha, with Co-Convenor **Dr. Sheeba P. S.**, Dean Academics & Research and HOD, Computer Engineering, Lokmanya Tilak College of Engineering, Navi Mumbai; **Dr. Nandini Katti**, Sr. Vice Principal, KES Shroff College, Mumbai; and **Dr. Uma Nagarajan**, Associate Professor, BITS Pilani.

The **Organizing Committee** comprised of **Conference Chairs Dr. Aamir Junaid Ahmad**, Secretary, AMIEE Association, and **Prof. M. A. Anusua**, JSS Science & Technology University, Karnataka, along with **Conference Directors Dr. Rita Rani**, Daulat Ram College, Delhi; **Dr. Poornima G.**, B.M.S. College of Engineering, Bangalore; **Dr. B. N. Manjunatha Reddy**, Cambridge Institute of Technology, Bengaluru; **Dr. Malatthi**, K.S.R. College of Engineering.

The **Session Chairs** included **Dr. Nalini N.**, Nitte Meenakshi Institute of Technology; **Ms. Sarala Hemant Kumar**, Padmashree Institute of Management and Sciences; **Mrs. Lalitha**, DSCASC, Karnataka. The **Jury Members** included **Dr. Nandini Katti**, Sr. Vice Principal, KES Shroff College, Mumbai; **Dr. Poornima G.**, Professor, B.M.S. College of Engineering, Bangalore; **Dr. N. Pannirselvam**, SRMIST, Tamil Nadu; **Dr. Uma Nagarajan**, Associate Professor, BITS Pilani; **Dr. Rita Rani**, Associate Professor, Daulat Ram College, Delhi, India; **Dr. Rajalakshmi K**, Kamaraj College of Engineering and Technology, Madurai; **Prof. Supriya Shirsath**, Assistant Professor, Pravara Rural Engineering College, Maharashtra; **Dr. Shiva S Reddy**, Assistant Professor, CSE, Sagi Rama Krishnam Raju Engineering College, West Godavari, Andhra Pradesh; **Mrs. Lalitha**, Assistant Professor, Department of Commerce, Dayananda Sagar College of Arts Science and Commerce, Karnataka; **Dr. Nirmala Baloorkar**, Assistant Professor, K J Somaiya School of Engineering, Maharashtra; **Prof. Mohit Tiwari**, Assistant Professor, Bharati Vidyapeeth's College Of Engineering, Delhi; **Dr. M. V. S. Sairam**, Professor, Dean Academics (UG), Gayatri Vidya Parishad College Of Engineering (Autonomous), Visakhapatnam, Andhra Pradesh; **Dr. R. Satheeshkumar**, Professor, Department of MBA and Research Centre, Surana College (Autonomous), Bangalore; **Dr. Mithun B N**, Professor and Head, A P S College Of Engineering, Karnataka; **Dr. Gupinath Bhandari**, Professor, Jadavpur University, West Bengal; **Dr. R. Vidhya**, Professor & Head, Hindusthan College of Engineering and Technology; **Dr. Nabamita Banerjee Roy**, Associate Professor, Heritage Institute Of Technology, West Bengal; **Dr. Jhuma Ray**, Assistant Professor, RCC Institute Of Information Technology, West Bengal; **Dr. Pooja Vasant Koli**, Assistant Professor, PVPIT, Budhgaon, Maharashtra; **Dr. Ashish Mulajkar**, Assistant Professor, MIT Academy Of Engineering, Alandi, Maharashtra; **Dr. Saran Kumar A**, Assistant Professor, Coimbatore Institute Of Technology, Tamil Nadu; **Prof. Shwethashree G C**, Assistant Professor, SJCE, JSSS & TU, Karnataka; **Dr. Roja B A**, School of Information Science, Presidency University, Rajanukunte, Yelahanka, Bengaluru, Karnataka; **Ms. Shylaja V**, Assistant Professor, ECE Department, Bangalore Institute of Technology; and **Dr. Nirmala DB**, Assistant Professor, Dept. of CTM, JSSSTU, Mysore, **Dr. Laxmi Gulappagol** an Associate Professor in the Department of Cyber Security at NMAM Institute of Technology (NMAMIT), Nitte – Deemed to be University.

The conference brought together distinguished scholars and researchers from across India to share insights, foster collaboration, and advance academic and professional excellence.

The **Technical and Healthcare Application Review Committee** comprised eminent experts such as **Mr. Sujoy Roy (Solventum, Bengaluru)**, **Dr. Sneha Jha (MTMH, Jamshedpur)**, **Dr. Gunveen Kaur Narula (Ruban Memorial Hospital, Patna)**, and **Ms. Noore Zahra (Princess Nourah University, Riyadh)**. Their insights ensured that the conference effectively bridged **technological innovation** and **healthcare applications** in the field of Artificial Intelligence and Intelligent Systems.

The papers presented spanned a broad range of emerging research domains, including **Artificial Intelligence, Data Science, IoT, Blockchain, Cybersecurity, Educational Technologies, and Healthcare Intelligence**. The discussions emphasized the importance of innovation with societal relevance and practical application across industries.

Outstanding papers in categories such as **Research Excellence, Innovation, Application, and Interdisciplinary Impact** will be recognized with awards. Furthermore, all accepted papers will be **published in the Journal of Research and Innovation in Technology, Commerce, and Management**, [www.jritm.org](http://www.jritm.org), which features ISSN, DOI, and Google Scholar Indexing.

The conference marked yet another successful milestone in AMIEE's ongoing efforts to promote collaboration between academia, research, and industry—fostering innovation and creating a global platform for knowledge sharing.
